created for him and states that he will meet the current year's expenditure by reappropriation. There is no doubt the need for a specialist in the Krishnarajendra Hospital for the ear and throat diseases. The proposal of the Senior Surgeon may be accepted, the cadre of First Grade Assistant Surgeons being increased by one".

The question was considered at the meeting of the Council held on the 2nd instant, and it was felt that there was no necessity for increasing the cadre as the sum of Rs. 200 required as honorarium for Mr. Seshagiri Rao can be met from savings in the Medical Establishment, and accordingly the Council resolved that 'Mr. N.A.Iyengar may be appointed as an Assistant Surgeon of the 2nd Grade on the maximum pay of the grade in the vacancy caused by the retirement of Mr. Seshagiri Rao'

FROM

The Senior Surgeon with the Government of
His Highness the Maharaja of Mysore,
Bangalore.

9 AUG 1923

To

The Secretary to Government of
His Highness the Maharaja of Mysore,
Revenue Department, Bangalore.

SIR,

In submitting herewith, for orders, an applicatic for appointment, received from Mr. N. A. Iyengar, L.R.C.P., (Lond.) M.R.C.S.,(Eng.), son of retired Amildar, Mr. N. Gopala Iyengar of the Mysore Service, I have the honour to - state as follows:

Mr. Iyengar's certificates show that in addition to the L. R. C. P. and M. R. C.S. qualification he has also worked for six months in the Central London Throat and Ear Hospital, and attended all Lectures and Demonstrations including the special Intensive course. A throat, Nose and Ear Specialist is badly needed at the Krishnarajendra Hospital to complete its equipment, so that the entertainment of Mr. Iyengar if sanctioned. will meet a real need, without the heavy expenses necessary for deputing an officer of the department to England with a scholarship to specialise in this branch of Surgery.

There are no vacancies at present against which this appointment could be recommended. It will, therefore, have to be sanctioned as an addition to the cadre, as was done in the case of the Dentist to the Victoria Hospital, in Govern

Men

Government Order No. L. 3818-19 Med. 56-22-2 dated 22nd November 1922 and on the same scale of pay, viz., Rs.200-20-360, as a 1st class Assistant Surgeon, which is the start given in recent years to young men possessing English qualifications in the Medical Department, (vide G.O. No. G.24732-3 Med. 33-19-29 dated1st May 1920, in the case of Mr. M. Kazim, and No. G. 12571-2 Med.33-19-6 of 29th November 1919, in the case of Mr. J.C. Noronha.).

The appointment of Mr. Iyengar to the staff of the Krishnarajendra Hospital to perform the specialist's work in the throat, nose, and ear department of that Hospital cannot affect the other sanctioned charges in the department. Hence the justification of sanctioning it as an addition. It is also not my desire that this appointment should in any way operate as a hardship on the officers already serving in the department by depriving them of a chance of promotion to which they may legitimately look to and thereby discourage them.

Should the Government be pleased to accept this proposal I shall find some source from the sanctioned Budget to meet the extra cost during the current year

I have the honour to be,

S i r,

Your most obedient servant,

Ag.Senior Surgeon.

Guy's Hospital London. Middlesex, and the Central London Ear and Throat Hospitals, London.

Before looking elsewhere for an appointment or setting up a practice as a specialist I am anxious to place my humble services at the disposal of the Sovereign of my Mother Land and I hope that you would be pleased to recommend me His Highness for a suitable appointment and give me a fair start in life.

For which act of kindness I shall feel ever thankful,

I beg to remain,

Sir,

Your most obedient Servant
